

MFC-9320CW High Speed Wireless Colour LED Multifunction Printer with Fax

All the functions you need in one compact package with low running costs: the fast MFC-9320CW offers you professional quality and a wide range of user-friendly, time-saving features for small businesses.

Brother's advanced toner-based single-pass print technology offers you fast print and copy speeds of up to 16 pages per minute for mono and colour with consistently professional-quality results. You can save time by printing directly from a USB Flash Memory Drive or digital camera.

Connect the MFC-9320CW to your existing wireless or wired network to share it securely among a workgroup. The MFC-9320CW is very easy to maintain with a large in-built 250-sheet paper tray.

Together with advanced scanning options this allows you to optimise your document management and workflow across your business.

There are many other ways to reduce costs and get more out of your multifunction printer. Save paper and toner by printing several pages onto one sheet, enlarge a single page to poster size or add a watermark for a professional finish. Cut transmission costs by sending fax messages over the Internet with Internet Fax*.

Highly energy efficient, with low noise levels and a recycling-friendly design, the MFC-9320CW is ENERGY STAR qualified and has been awarded the prestigious German Blue Angel award for its outstandingly low impact on the environment.

Print on thick paper or envelopes.

Cost reductions

- 1. Share resources.** Share the MFC-9320CW among several users over your existing wireless or wired network for more mobility, efficiency and an improved workflow.
- 2. Cut your fax transmission costs.** With Internet Fax* you send fax messages over the internet, thus saving the costs of using a telephone line. Faxes can still be sent and received the traditional way, too.
- 3. Reduce paper and toner use.** Reduce 2, 4, 9, 16 or 25 pages onto just one A4 sheet with N-up printing.

Save time

- 4. Handle multipage documents at the touch of a button.** You get swift, unattended faxing, copying and scanning of multipage documents with the 35-sheet Automatic Document Feeder.
- 5. Save time with Direct USB Print.**
Great when you're in a hurry: print directly from a USB Flash Memory Drive or from your digital camera via PictBridge without using your computer.
- 6. Speedy document management.**
With the easy to use Scan to FTP option, your scanned file is saved directly onto an FTP server destination of your choice – perfect for hassle-free document sharing. Other time-saving scanning options include Scan to USB, Scan to Email, Scan to Image, Scan to OCR, Scan to File and Scan to Network.

Professional quality

- 7. Professional finish.** It's incredibly easy to add a watermark, whether it's a predefined design or a logo of your choice, to your printouts for a professional look.
- 8. Get the bigger picture - in-house.** For a bigger impact, you can enlarge 1 page to be printed across 4, 9, 16 or 25 A4 sheets with the Poster Printing function in the printer driver.

Extra convenience

- 9. Swift and easy.** Printing on thick paper or envelopes is exceptionally simple with the MFC-9320CW's Straight Paper Path. All you have to do is open a small door at the rear for your special media to exit after printing.
- 10. Be safe.** Print your most confidential documents, safe in the knowledge that they will remain just that, with Brother's Secure Print feature. It's easy to use: when you're ready to print your document, you enter a private PIN code on your computer and click the Print button. The document will only print after you've physically entered your PIN code at the printer.
